Bankers Institute of the Philippines, Inc. (BAIPHIL) cordially invites you to the Seminar on:

Code of Champions (A Leadership Effectiveness Program for Bankers)

Speaker: Fr. Armand Robleza

Salesian Society of St. John Bosco
Don Bosco

Course Outline:

- The CODE OF CHAMPIONS' six behavioral paradigms are fast becoming the foundation for a good number of organizations on which they build their series of training modules.
- Do people trust you? Trust is the foundation of human transactions, personal or public. And trust stands squarely on integrity and honesty. A champion assiduously CULTIVATES HIS CHARACTER. He does the right thing even when no one is around.
- Are people happy to work with you? We always love the company of those who have gone the extra mile for us. How we wish we could repay them somehow. Compassion is the one virtue that cements your connections. HAVE A HEART. Extend yourself for others, and they will gladly die for you. Promise.
- Do people find you focused? Happy people invariably have a sense of purpose. They are clear with their goals. They are desperate about their dreams. No wonder Rick Warren's *Purpose Driven Life* became a bestseller. No wasted energies translate to opportunities created. Champions always AIM FOR A MISSION.
- Do people compliment you for your balance in life? We all live multiple lives centered on the critical concerns of our lives. We are parents, professionals, citizens, believers, lovers, advocates and what have you, all mingled in one unfolding story. And we have to attend to all of them. Secret? Productive people MAINTAIN BALANCE.
- Do people see your courage to live? You may call the Almighty with different names, but common sense dictates that he must have created and started this whole complex we call life. Thus, living is being accountable to this Divine Being. The truth is happy people PRIORITIZE THE SPIRIT.
- Do people find you always available? Life moves in constant patterns. It has always been like that ever since, and forever. Nothing will go the distance without discipline. Continuous improvement, *kaizen* as the Japanese would say, will lift you up to unmistakable success. STAY THE COURSE.
